Impress

The screenshot displays the Impress presentation software interface. At the top, there is a menu bar with 'File', 'Edit', 'View', 'Insert', 'Tables', 'Slide', and 'Help'. Below the menu bar is a toolbar with various icons for editing and navigation. A 'Slide' menu is open, showing options: 'New slide', 'Duplicate slide', 'Delete slide', and 'Fullscreen presentation'. The main slide area shows a slide titled 'Collabora at Hostingcon (4/4)' with the 'hostingcon 2017 THE GLOBAL EVENT' logo. The slide content consists of a 2x2 grid of four photographs showing people at a trade show booth. The footer of the slide includes 'Collabora Productivity' and 'www.collaboraoffice.com'. On the left side, there is a slide navigation pane showing thumbnails for slides 2/4, 3/4, and 4/4. At the bottom of the interface, there is a search bar, navigation arrows, and a status bar showing '2 users' and '100%' zoom.

New features in 4.0

The screenshot displays the Collabora Online web interface. At the top, the browser address bar shows the URL. Below it, the document title is "Collabora Online.odt" with a "Last modification: 20 hours ago" timestamp. A rich text editor toolbar is visible, including buttons for bold, italic, underline, text color, and background color. The main content area shows a presentation slide with a woman at a laptop and several text boxes indicating editing activity: "YOU editing...", "ANNE editing...", and "THOMAS editing...". To the right of the slide is a chat window with three messages from users "john" and "jane". The messages discuss adding version numbers. At the bottom of the interface, a status bar shows "Document saved", "1 user", and a zoom level of "100%".

The server remembers the visible area of the client (sent every time it changes: not often)

Complex case – type “abc”

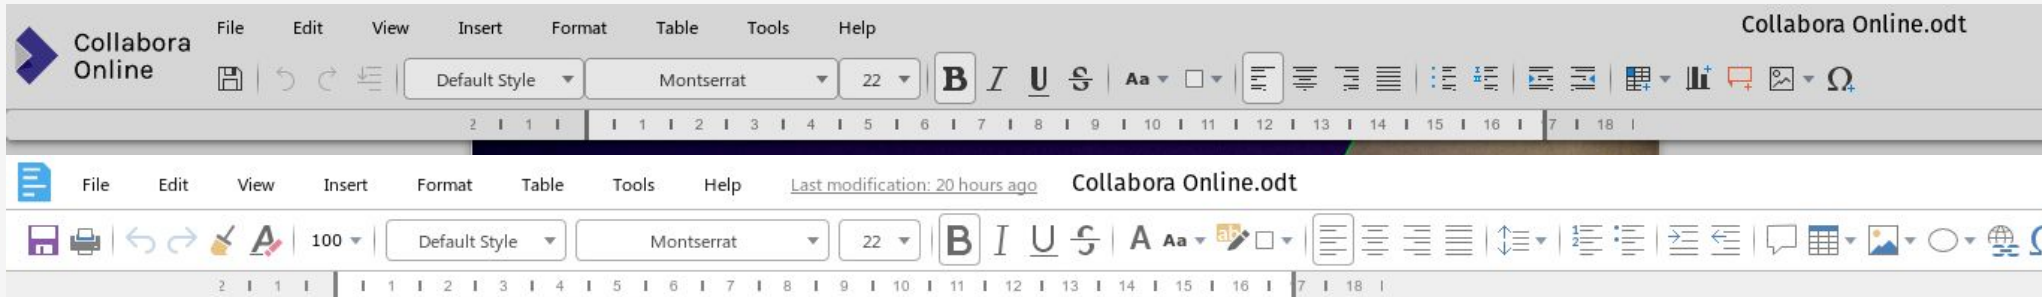

Complex case – type “abc”

The ACK responses are used for counting of tiles on flight. The rendering is postponed when there are 2 tiles on flight (meaning we are producing faster than the client consumes). The rendering resumes when we get one ACK back.

Collabora Online v 3.2

Collabora Online: the enterprise-ready LibreOffice-based Online Office Suite that allows you to stay in control of your own documents and control of your office files.

LibreOffice is the world's most popular Open Source Office suite with over 150 million users. Collabora, a leading contributor, project, and developer of the enterprise-ready, Long Term Supported edition of LibreOffice, Collabora Office, has now brought LibreOffice to the Cloud with Collabora Online.

With Collabora Online you now have access to a powerful, enterprise-ready and 100% Open Source Online Office suite functionality, with excellent support for all popular office file formats and collaborative editing features.

With Collabora Online you now have access to a powerful, enterprise-ready and 100% Open Source Online Office suite functionality, with

In cooperation with a Swiss open source company building a blockchain based self-sovereign identity and personal data store.

1. File → Sign Document

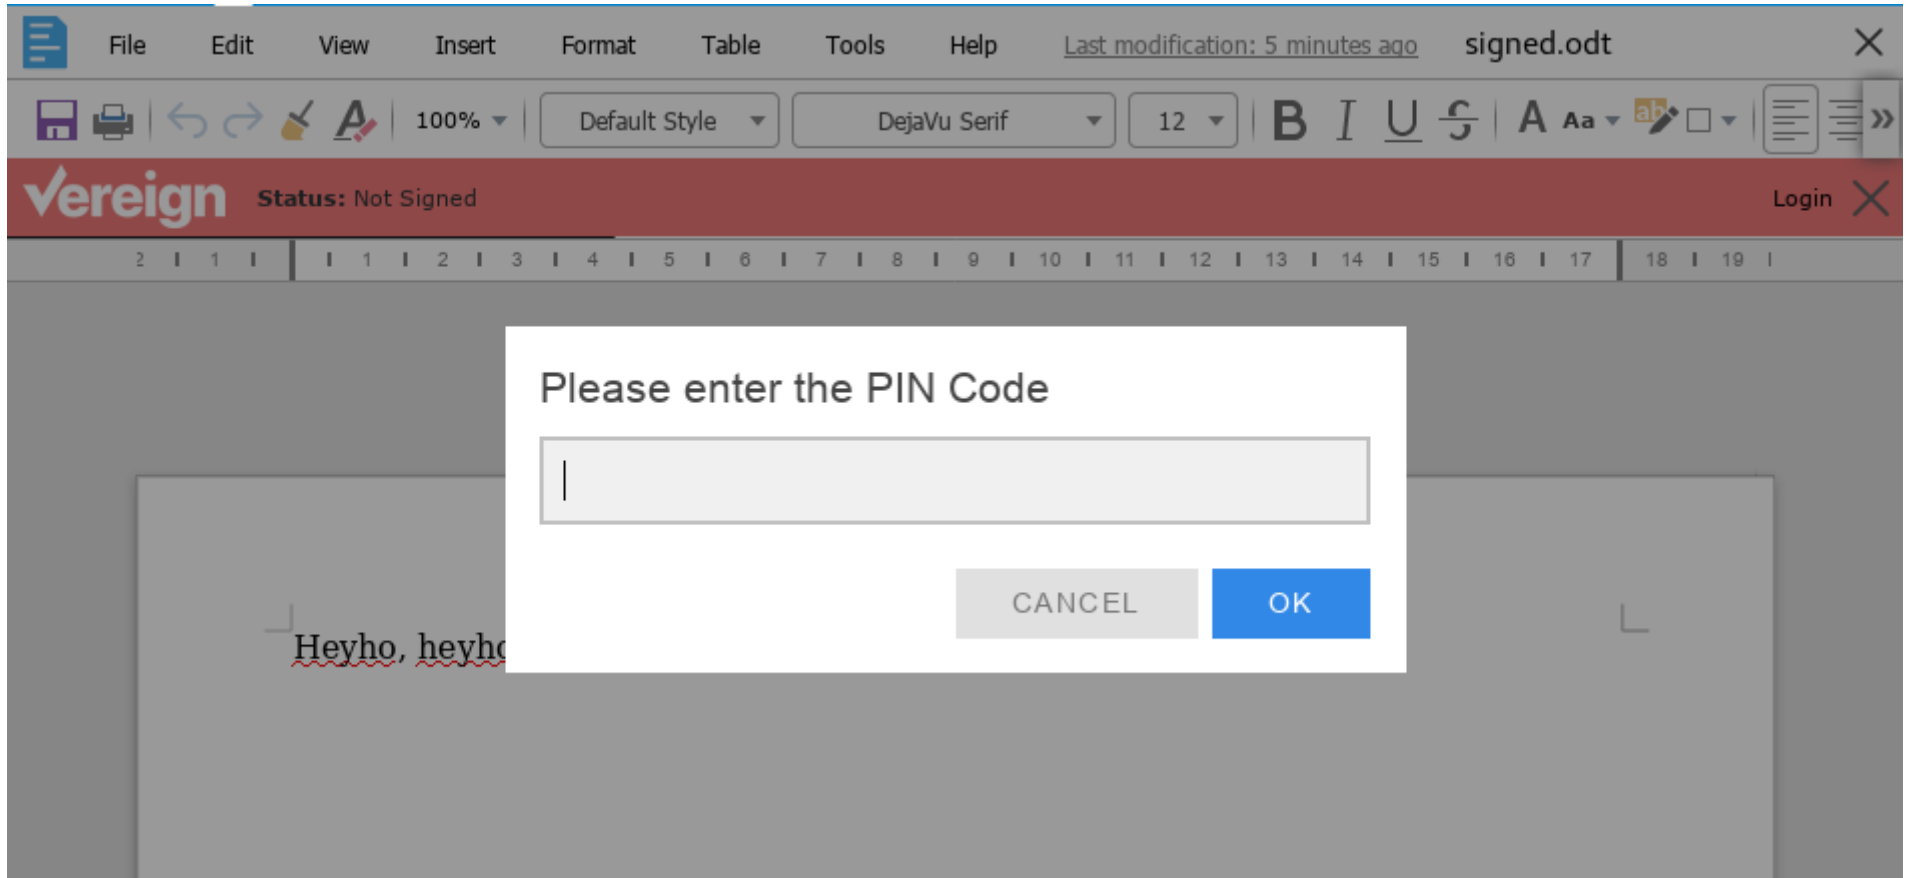

The image shows a screenshot of a document editor interface. The top menu bar includes 'File', 'Edit', 'View', 'Insert', 'Format', 'Table', 'Tools', and 'Help'. The 'File' menu is open, displaying options: 'Save', 'Save As...', 'Share...', 'Print...', 'See revision history', 'Download as', 'Sign document' (highlighted in blue), and 'Close document'. The document title is 'signed.odt'. The toolbar shows various formatting options like font size (12), bold (B), italic (I), underline (U), strikethrough (ABC), and text color (Aa). The main editing area contains the text: Heyho, heyho, signing is so good.

2. Vereign toolbar – Login

The image shows a screenshot of a document editor interface. At the top, there is a menu bar with options: File, Edit, View, Insert, Format, Table, Tools, Help. To the right of the menu bar, it says "Last modification" and "signed.odt". Below the menu bar is a toolbar with various icons for saving, printing, undo, redo, and text formatting. The text formatting section includes buttons for Bold (B), Italic (I), Underline (U), and Strikethrough (ABC), along with font style and size dropdowns (Default Style, DejaVu Serif, 12). Below the toolbar is a red banner with the "Vereign" logo, the text "Status: Not Signed", and a "Login" button. Below the banner is a horizontal ruler with numbers 2 through 19. The main editing area is a large gray rectangle. At the bottom of this area is a white text box containing the text "Heyho, heyho, signing is so good." The word "heyho" is underlined with a red squiggly line, indicating a spelling correction or warning.

3. Enter PIN Code

4. I am logged in

The screenshot displays a web-based document editor interface. At the top, there is a menu bar with options: File, Edit, View, Insert, Format, Table, Tools, and Help. To the right of the menu bar, it shows the document title "signed.odt" and a timestamp "Last modification: 5 minutes ago". Below the menu bar is a toolbar containing various icons for saving, printing, undo, redo, erasing, and text formatting. The text formatting options include "100%", "Default Style", "DejaVu Serif", "12", and buttons for Bold (B), Italic (I), Underline (U), Strikethrough (ABC), and Text Color (A Aa). A red status bar is positioned below the toolbar, featuring the "vereign" logo, a "Select passport" dropdown, a "Status: Not Signed" indicator, and a "Logout" button with a user icon labeled "AT". Below the status bar is a horizontal scroll bar with page numbers from 2 to 19. The main document area is a large white rectangle containing the text "Heyho, heyho, signing is so good." with red wavy underlines under the words "Heyho" and "heyho".

5. Select passport

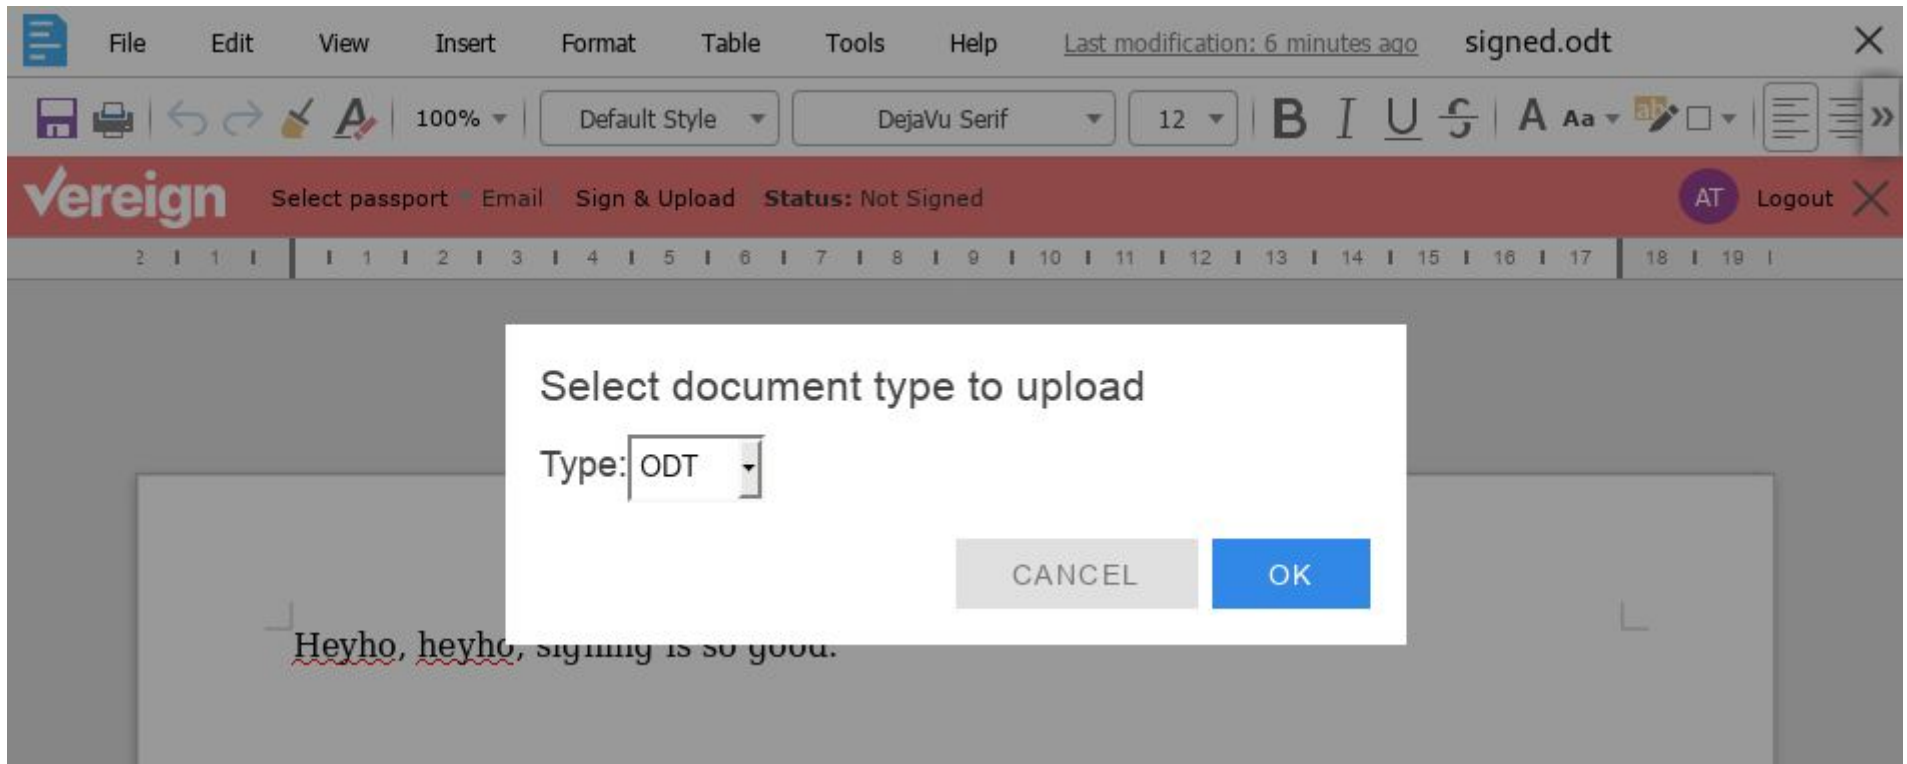

The screenshot displays the Collabora Online web interface for editing a document. The top navigation bar includes menus for File, Edit, View, Insert, Format, Table, Tools, and Help. The document title is "signed.odt" and it shows "Last modification: 6 minutes ago". The toolbar contains various editing tools such as Save, Undo, Redo, and text formatting options like Bold, Italic, Underline, and Strikethrough. The font is set to "DejaVu Serif" and the size is "12". A red banner at the top left features the "vereign" logo and a "Select passport" dropdown menu. The status bar indicates "Status: Not Signed" and includes a "Logout" button. A scrollable ruler is visible below the banner. A dropdown menu is open under the "Select passport" button, listing "Social", "Email", and "Friends". The main editing area shows a text box with the content "Heyho, heyho, signing is so good.", where the word "Heyho" is underlined with a red squiggly line.

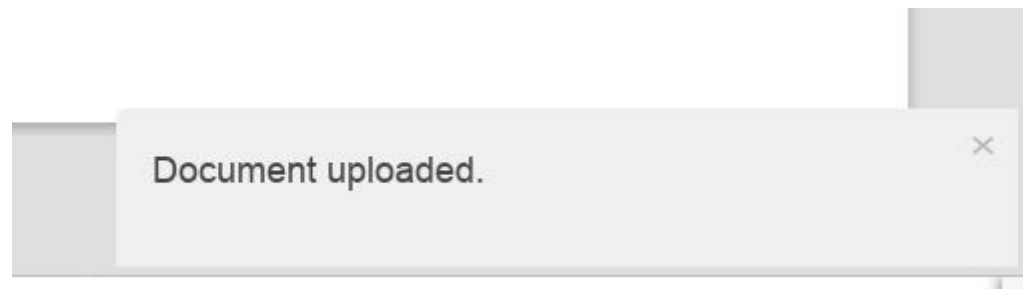

6. Passport selected

The screenshot displays a web-based document editor interface. At the top, there is a menu bar with options: File, Edit, View, Insert, Format, Table, Tools, and Help. To the right of the menu bar, it shows 'Last modification: 6 minutes ago' and the file name 'signed.odt'. Below the menu bar is a toolbar with various icons for saving, printing, undo, redo, erasing, and text formatting. The text formatting options include '100%' zoom, 'Default Style', 'DejaVu Serif' font, and '12' font size. Bold (B), Italic (I), Underline (U), and Strikethrough (ABC) icons are also present. Below the toolbar is a red header bar with the 'vereign' logo on the left. To the right of the logo are links for 'Select passport', 'Email', 'Sign & Upload', and 'Status: Not Signed'. Further right is a purple circular button with 'AT' and a 'Logout' link. Below the header bar is a scrollable page view with a grid of page numbers from 2 to 19. The current page is 18, which is highlighted. The main content area of the page shows the text 'Heyho, heyho, signing is so good.' with red wavy underlines under the words 'Heyho' and 'heyho'. A mouse cursor is positioned at the end of the text.
